AMENDMENTS TO THE CLAIMS:

Please cancel claim 2, without prejudice or disclaimer, and amend the claims as follows:

1-4. (Canceled)

5. (Previously Presented) The production system as claimed in claim 36, wherein said risk ratio calculating unit calculates said risk ratio at the time of producing the printing pictures, wherein said production unit starts producing the printing pictures in a condition that said alert information is lifted.

6. (Previously Presented) The production system as claimed in claim 36, further comprising a customer information storing unit for storing information relating to the customer, wherein said first terminal comprises a customer identification information input unit for inputting said customer identification information to identify said information relating to the customer.

7. (Previously Presented) The production system as claimed in claim 6, wherein said information relating to the customer comprises history information relating to a purchase history of the printing pictures of the customer, and  
wherein said risk ratio calculating unit calculates said credibility based on said purchase history of the customer.

8. (Previously Presented) The production system as claimed in claim 36, further comprising a rate calculating unit for calculating a purchase price of the printing pictures
